CASE number 1:01-cv-01017-JG

CASE NAME: Holloway v. U.S.

Honorable: Judge John Gleeson

Dear Sir, I am looking for an update on motions, being the Government has declined to do the right thing as far as Justice is concerned. Judge Gleeson I was curious if you have set a date for my response to the Government's [37] response to my [29] motion to re-open. Your original order was to re-visit the question and set a date for my reply. The Petitioner's motion was deferred until May 15 2013, but the government was given 45 days until July 29, 2013. Requested decision Pro-Se litigant Francis Holloway

Thank You:

Sincerely, Francis Holloway
